Please tick: Patient to take image away with them Send image to referring practice																				

The CBCT image will be reported on by the referring dentist. Important information: it is essential that you complete all sections of this form in full.

All incomplete forms will be returned to the referring dental practice, which may result in a delay in your patients' treatment. As per your service level agreement dental CBCT images will be reported on by the referring practice. The referring practice will be responsible for ensuring the clinical evaluation takes place and is properly recorded.
